

# **SALISHAN HILLS OWNERS ASSOCIATION**

## **Design Committee**

### **REMINDER**

If you are planning projects that will improve our property and community, remember to allow the Design Committee time to review and approve **BEFORE** you start. We are anxious to work with you to make sure your project meets our community design requirements.

**Any changes to the exterior of your home** including:

- Replacement of roofing or home siding
- Exterior paint on house, door and/or trim
- Window replacement
- Trimming or removal of trees over 6" in diameter – excluding alders, which may be removed without approval
- Any large landscaping projects

It is always a good idea to check with the Committee to determine if a review of your project is warranted even if it's just maintenance.

The Committee normally meets the 2nd Saturday of each month.

**Note:** All questions and requests should be forward to first point of contact - [shoamanager@gmail.com](mailto:shoamanager@gmail.com)
